ERA AURA 2nd EDITION (NEWSLETTER)

SEPTEMBER 2025
TO
MARCH 2026

FROM THE DIRECTOR'S DESK

Ms.DOROTHY RAJENDRAN

Education, in the CBSE framework, goes beyond textbooks and examinations—it is a journey of nurturing critical thinking, creativity, and strong values. It aims at shaping responsible individuals who are prepared to face the challenges of a dynamic world with confidence and integrity.

As we reflect on the academic year, it fills us with pride to witness the remarkable progress of our students—not only in scholastic achievements but also in life skills, discipline, and co-curricular excellence. Their growth stands as a testament to the collaborative efforts of our dedicated teachers and the unwavering support of parents.

Our institution remains committed to providing a learner-centered environment that promotes inquiry, innovation, and holistic development. We strive to empower every student to realize their potential and become lifelong learners.

To our graduating students, this milestone marks the beginning of a new chapter. Carry forward the values you have imbibed, embrace challenges with resilience, and continue to strive for excellence in all your endeavors.

On behalf of the management, I extend my heartfelt gratitude to the Principal, our dear teachers, students, and parents for their continued trust and partnership.

May the journey ahead be filled with opportunities, achievements, and meaningful success.

With warm regards,
Ms. Dorothy Rajendran
Director, T.E.A. Institutions

AN EARNEST NOTE FROM THE PRINCIPAL

“Every child is a different kind of flower, and together they make this world a beautiful garden.”

Term 2 at The Earnest Academy has been a vibrant phase of learning and achievement. Our Sports Day reflected teamwork and resilience, while the celebrations of Christmas and Pongal instilled values of joy, gratitude, and cultural pride.

The Core Values Competition reinforced the importance of integrity and responsibility, and Graduation Day marked a proud milestone for our students. We are delighted by the commendable achievements of our students, whose dedication and academic rigour continue to inspire us.

The educational tours enriched learning beyond classrooms, and our staff training programs ensured continued excellence in teaching practices. We deeply value the support and involvement of our parents, whose partnership strengthens our school community.

At The Earnest Academy, we firmly believe in nurturing the unique strengths of every child, empowering them to grow with confidence and purpose.

“Believe in the potential of every child, and they will exceed every expectation.”

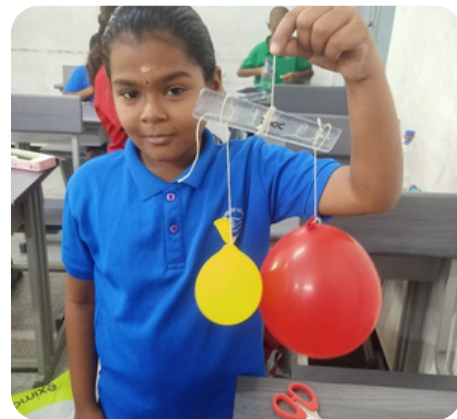

**With warm regards,
Dr.LALITHA P
PRINCIPAL
THE EARNEST ACADEMY**

- *ISSO - 23rd January 2026*

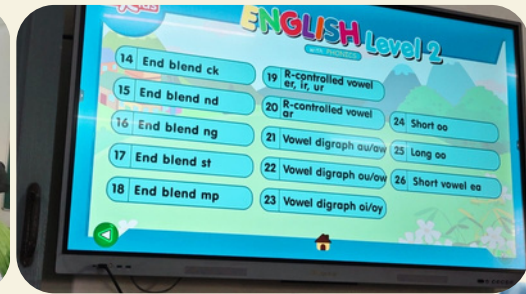

The participation and achievements of the students reflect their strong knowledge, dedication, and competitive spirit. Congratulations to all the achievers!

MI-KIDS PHONICS

MI-Kids Phonics Training for Teachers

A MI-Kids Phonics Training session was conducted for teachers on 28th March 2026 to enhance their phonics teaching skills and classroom practices. The training focused on effective strategies for developing reading, pronunciation, and language skills among young learners. It equipped teachers with innovative methods and practical techniques to make phonics learning more engaging and effective.

MARCH 2026

Crecimiento 2026 – Farewell to Grade 12 Students

On 30th March 2026, the school organized “Crecimiento 2026”, a heartfelt farewell for the Grade 12 students.

The event was filled with emotions, memories, and celebrations as students looked back on their journey in school. Juniors and teachers presented cultural performances, speeches, and shared their best wishes for the outgoing batch.

The programme was graced by the Chief Guest, **Dr. Indhu Priya, Pediatrician, Thyagu Hospital,** and **Mrs. Devi Chandran,** whose presence added significance to the occasion.

A special highlight was the candle lighting ceremony, where students took a pledge to uphold the dignity and values of the school wherever they go.

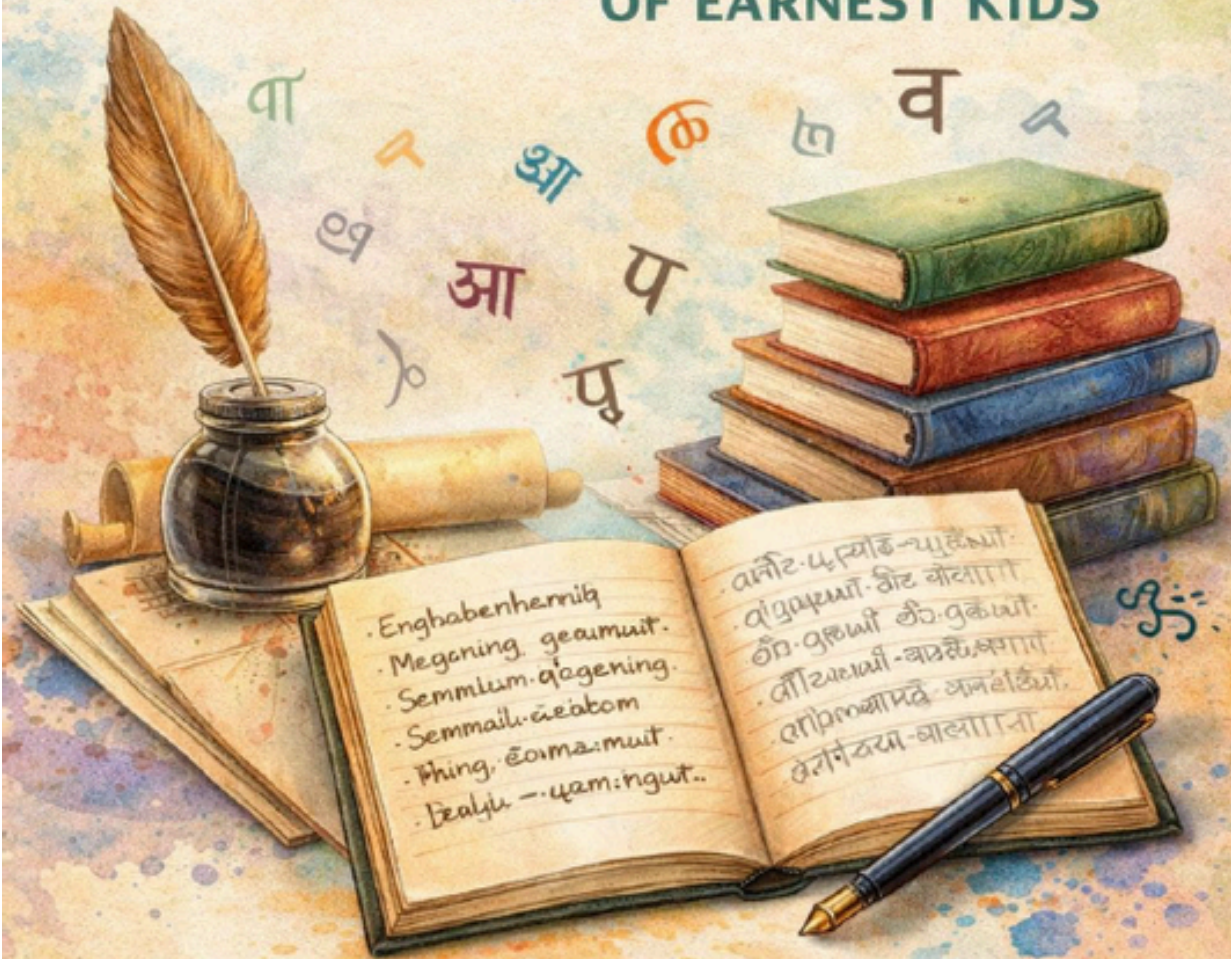

The programme concluded on a memorable note, wishing the students success, happiness, and a bright future ahead.

“The year drew to a joyful close, marked by the heartfelt farewell of Grade 12 and the successful completion of board examinations by Grades 10 and 12. As they cross this important milestone, we wish our students confidence, success, and bright beginnings ahead.”

Kindergarten

Kindergarten, our first journey of life
The first day was fear,
A small hand letting go,
Standing at the classroom door
Watching our parents go

Tears waiting in our eyes,
Homesick in tiny chairs,
A new world & new step,
Away from our parents,

Day by day the fear grew small,
Laughter slowly took place,
Games, stories, little games,
Smiles lighting every face.

Strangers, the names we didn't know,
Yet somehow hearts became close,
In ways we didn't know

Sharing lunch to playing with joy,
Those "strangers" turned to best friends,
The last day, the last memory of our first step
Leading to more memories ahead...
Thank You!!!

Seasons

The beautiful, wonderful, great four seasons,
Which make the world pleasant and special
Oh! It's summer,
Which make me play with joy
Yeah! It's winter,
Which makes me ill
Hey! It's autumn,
Where trees shed their leaves
Yes! It's spring,
Which make me adore the world
And I'm going to stand and store
All the beauty of the world with joy

Thank you ♥

What is school?

- * Everyone just tells us only things, focus on scoring marks and memorizing what's written in the books.
- * I believe a school is a place where we love to go, we feel happy, make friends and develop friendship, learn equality, respect and teamwork.
- * It's a place where we are able to start thinking, exploring, and develop our curiosity and ask questions like how, why, what, when, etc.

* become fearless and pursue our dreams. The principal, the teachers support and motivate us.

What if time suddenly stopped for one day?

At exactly 8:00 am, the world didn't slow down - it stopped. Completely. The ticking of clocks vanished, the wind froze in mid-air and every moving thing would still. Yet at that frozen moment, I was only one left moving.

I stepped outside, unsure of what I would find, what I saw felt surreal. A cyclist hung mid-motion, a bird was suspended in the sky and people stood frozen with expression that told unfinished stories. The roads, usually filled with noise and chaos, were now silent - eerily, beautifully silent.

At first, it felt like a gift. No deadlines, no pressure, no race against time. For once, time belonged to me. I walked freely, explored without fear, and observed everything around me with a strange sense of power. But as hours passed that excitement slowly faded into something deeper.

In the silence, I began to notice things I had never seen before. Faces that once looked ordinary now revealed hidden emotions - stress, fear,

* When I look at my friends, I believe they are all super talented and there is a champion inside every one, they just need a little bit of motivation.

* This is what we are taught at Earnest Academy. A school beyond just books. It's a place where we get freedom to ask questions, learn new things, find our talents, develop our skills.

love, exhaustion. It felt as if the world had been speaking all along, but I had never learned to listen.

And then I understood. Life is not meant to be a race against time. We spend so much energy chasing success that we forget to truly live in the present.

When time finally began to move again, everything returned to normal. The noise, the rush, the endless motion.

But something within me had changed.

Because when time stopped, I didn't just see the world.

I finally saw life the way it was meant to be lived.

Wars, fights, arguments are currently destroying the world. Of course, there are many wars currently which kills millions of people. Many wars are happening in the world such as, Iran vs. Israel, Russia vs. Ukraine and a terrorist attack in India last year "2025" 22-April in which 26 civilians were killed by Islamic terrorists. Near Pakistan, the Iran, Israel war disrupted global supply chains, higher LNG, and chemical prices, elevated inflation and heightened risks to cyber, maritime, and oil infrastructure across the Middle East. Some ways to reduce wars are strengthening diplomacy, promoting economic stability, upholding international law, and addressing the root causes of conflict. Let's be friendly to everyone and let us do safe and help others.

सोशल मीडिया

आज सोशल मीडिया तो ऐसा लगता है कि जैसे हमारे परिवार का हिस्सा हो। जैसे यह हमारे शरीर का कोई अंग है। चाहे बच्चे हों या बड़े सबसे ज्यादा समय शायद इसे ही बदेते हैं।

बिल्कुल सही बात है कि इसके जरूरी जरूर हम तेजी से जानकारी, समाचार और घटनाओं के बारे में जान पाते हैं। यहां तक की हमारे रिश्ते, अपनी केबल की दूरियों कम करने में मदद करता है।

सोशल मीडिया के बहुत सारे फायदे हैं पर क्या इसके कोई नुकसान भी हैं?

जैसे हर सिक्के के दो पहलु होते हैं वैसे ही कुछ नुकसान भी हैं। अगर हम सही ढंग से और सही समय इसमें लगाते हैं तो यह ठीक है।

*मानसिक तनाव - Mental health: एक दूसरे से बेहतर दिखना, तुलना करने कि वजह से मानसिक दुख होता है।

*साइबर बुलिंग (Cyberbullying): बच्चों को अपमान जनक बातें, बार बार कॉल भेजना ऐसे कई बुरे बातों का सामना करना पड़ सकता है।

हमें इन सब से बचने के लिए कुछ बातों का ध्यान रखना होगा। अपने बड़े को हर बात के बारे में बताएं जो आपको गलत लगती है। अज्ञान लोगों, वेबसाइट से खे लोंग इन ना करें और ना ही अपना पता या नंबर शेयर करें। सोशल मीडिया से जितनी जरूरत हो उतना ही समय बिताएं और अच्छी शिक्षा और फ़ोन की बातों पर ध्यान दें और खुश रहें।

Page No. Akanksh

सोशल मीडिया के फायदे

*शैक्षिक - Academic: ग्रुप चैट और दूसरे प्लेटफॉर्मों की मदद से आसानी से पढ़ाई से जुड़ी चीजें शेयर कर सीख सकते हैं।

*कौशल - Skill development: नए टैक सीखने और रचनात्मक (creative) चीजें बनाने सकते हैं।

*संबंध - जुड़ाव - Attachment: दुनिया भर और अपने से दूर दोस्तों, सहपाठियों और रिश्तेदारों से बात करना आसान हो गया जिससे हम कटीब हो जाते हैं।

सोशल मीडिया के नुकसान

*समय बर्बाद - Time wastage: सुबह से रात तक समय बर्बाद होता है।

*शारीरिक - Physical activity: लोग ज्यादा समय लगाते हैं जिससे उनकी शारीरिक गतिविधियां बहुत कम हो जाती हैं।

SCREEN LESS, STUDY MORE

In today's world, screens have become a big part of our lives. We use mobiles, tablets and computers for learning, entertainment and communication. While screen time can be helpful for online classes, educational videos and projects, too much of it can affect our health and studies. Long screen usage may cause headaches, eye strains and reduce our focus on books.

Study time, on the other hand, strengthens our memory and improves understanding. When we read, write and revise regularly, our performance in exams becomes better. We learn discipline, time management and gain real knowledge.

Therefore, it is important to balance screen time and study time. We can use screens for learning, but we must also spend enough time with books, outdoor activities and hobbies. A smart student knows when to switch off the phone and open the textbook. Balanced usage leads to a healthy mind and a bright future.

NAZAL is funny, NAZAL is naughty,
Smiling and laughing, playful and sporty.
Helpful and kind in all that he does,
Always there for me, my best buddy.
He loves spidey, strong and brave, like
a superhero ready and to save. He loves
Spidey, strong and He protects me from
everyone, night and day, chasing all my fears
far away. I love my brother, caring and
true, NAZAL, my hero, I look up to you.

NEW YEAR RESOLUTIONS

Here comes the new Year
And it's time to make resolutions
For I promise to be sincere
And bring in me a revolution
In Studies I'll surely progress
All my lies I'll confess
I'll go to play with egress
To my friends I'll be kind
Have my character refined
To a helper of mankind
With a sound mind

I'll follow my teacher's advice
Regularly I'll exercise
My mother I'll idolize
Beyond doubt I'll civilize

These are my resolutions
To bring in me an evolution
To follow them I'll try my best
Until then I'll not rest

Moments, Milestones & Memories

As we come to the close of the academic year 2025 - 2026 , we reflect with pride and gratitude on a journey filled with learning, growth, and memorable achievements.

This year has been a beautiful blend of academic excellence, co-curricular activities, sports, and celebrations, where every student had the opportunity to explore, learn, and shine. Each milestone reached is a testament to the hard work of our students, the dedication of our teachers, and the constant support of our parents.

Beyond achievements, this year has nurtured confidence, resilience, creativity, and values that will guide our students in the years to come.

As we move ahead, we cherish the memories created and look forward to new beginnings with renewed energy and aspirations. Let us continue to learn, grow, and strive for excellence — together!
